This email address is listed for Customer Service at store located on Riverside Blvd., Sacramento, CA (please see directory listing file attached). I intend to address management of this local store.

I have corresponded, by emails, with Corporate, a Department referred to as GR Abuse. I have attached them directing to the local store management.

a Department referred to as GR Abuse. I have attached them directing to the local store management.

Do locally reply in answer to my discovery requests. What are the status and actions taken upon my complaint? Also, I hereby request information about your local store department obscurely termed "GR": 1. it's full name abbreviated; 2. contact information, including email address, of its management of Security: Inventory Control (I.C.).
